C. S. Balasundaram Iyer, Esq., B.A.,

Offg. Secretary to the Government of His Highness the Maharaja of Mysore, General & Revenue Departments, Bangalore.

Sir,

In pursuance of the resolution of the General body of members who met in the new Club Buildings on 7th December 1910 to concert measures for the re-organization of the General & Revenue Secretariat Club, I am directed by the Committee to convey the grateful thanks of the members to the benign Government for graciously providing the Club with a magnificent building. As the work of the Club had to be suspended for a long time for want of suitable accommodation, great was the enthusiasm of the members when the beautiful building which now adorns the Cubbon Park was completed and handed over to the Club in September last. The kind offer made by Government has given such an impetus to the earnestness of the members that bids fair to perpetuate the institution as a model one.

The members desire that the new building should be opened for work with effect from 1st January 1911 and that steps be taken to furnish the rooms suitably and to make the newspapers and Magazines available to them in the hall. As the present state of the finances of the Club do not permit of the carrying out of the two latter objects, I am directed to approach you with a request to kindly allow the Club the use of the necessary articles of furniture mentioned in the margin* and also of the newspapers, Magazines and other Journals that are being received by the Superintendent, Government Press, and forwarded by him daily to the Secretariat.
